

### STEP 3

#### Read this

Locate *The Science of Animal Agriculture* textbook and read Chapter 22 which starts on page 330. In this reading you will be introduced to the variety of consumer concerns surrounding animal agriculture.

### STEP 4

#### Read this

Now go back to Chapter 21 in *The Science of Animal Agriculture* textbook and begin reading on page 318. You will now learn the difference in animal rights and animal welfare. In this reading you will also learn about the laws which govern the use of animals in both research and production.

### STEP 5

#### Quiz

You will now take a short quiz to determine your understanding of this activity's objectives. Refer to both textbooks as needed to answer each of the questions. Click the **Lessons** button, **Activity 2**, then **Quiz 1**, and complete the quiz by choosing the correct answers and then clicking Score It! to register your answers.

### STEP 6

#### Career choices

Click the **Lessons** button, **Activity 2**, then the **Career** buttons. These buttons will provide information about two different careers which are directly related to animal welfare.
